TOLOWA DEE-NI' NATION TRIBAL GOVERNMENT NEWSLETTER

Srch'ee-te Num-nii~-ma~s (July) 2021 - Volume 28, Issue 7

FOR IMMEDIATE RELEASE:

June 25, 2021
Smith River, CA

On June 24, 2021, The Tribal Council of the Tolowa Dee-ni' Nation, voted to establish the "2021 COVID-19 Economic Stimulus Program" for the citizens of the Tolowa Dee-ni' Nation. The new, American Rescue Plan Act of 2021 allocated funds to the Tolowa Dee-ni' Nation for the continued COVID-19 relief efforts.

The Nation requested and has received hundreds of responses with feedback from the citizenship in response to the on-going global pandemic and the continued financial hardships that have been created. "Our citizens have overwhelmingly responded with their need for economic relief to the membership due to the current public health emergency," stated Chairperson Jeri Lynn Thompson.

The new "2021 COVID-19 Economic Stimulus Program" provides for the distribution of \$2500 in direct relief payments to all the eligible adult Tribal citizens and \$500 to all the eligible Tribal citizen youth under the age of 18 as of June 30, 2021. The governmental entity of the Nation is charged to safeguard the distribution of this direct payment. The eligibility and verification form must be prepared by each citizen before their distribution can be completed. This process will require extra staff time to implement this new program. Once the verification forms are completed Tribal Citizens can expect a two week time frame to receive the relief funds.

Tribal Administration have provided multiple ways to access the forms to complete your request form and certification:

Online forms: <https://www.tolowa-nsn.gov>
Email forms to: fiscal@tolowa.com
Paper forms to: C/o ARPA Fiscal 140 Rowdy Creek Road, Smith River, CA 95567

PUBLIC NOTICE

June 28, 2021
Smith River, CA

REGULAR SESSION COUNCIL MEETING OPEN TO CITIZENS

The Tolowa Dee-ni' Nation ("Nation") continues to be diligent in our response to the on-going COVID19 Pandemic. The Nation will be opening the Regular scheduled Tribal Council meeting to in-person citizen participation on July 8, 2021. These meetings are scheduled on the 2nd & 4th Thursday of each month starting at 9:00am at the Howonquet Hall Community Center. As part of our protocols these meetings will also continue to have a virtual option via Zoom. Tribal citizens are invited to view the meetings by logging into the citizen portal at www.tolow-nsn.gov.

The Nation will also be opening the Tribal standing committee meetings in the month of July. These meetings will be put on our event calendar for citizen participation. Please check the event calendar for dates and times.

Currently all the Tolowa Dee-ni' Nation Governmental offices have opened their lobby areas at all locations to the general public while we are in **Phase 2- Moderate Risk** of our COVID-19 Operating Plan. We continue to monitor risk factors and look to moving to Phase 3 - Minimal Risk in the near future.

The Tolowa Dee-ni' Nation acknowledges that this public health crisis is not completely over and we encourage individuals and citizens to stay diligent on their use of protective measures.

Additional inquiries can be addressed to Tribal Administration at 707-487-9255 or exdirector@tolowa-nsn.gov.

IT'S FAIR TIME!

Gardening During A Drought: How To Do It and Save Water

Northern California and southern Oregon are currently experiencing moderate to severe drought conditions, according to the US Drought Monitor. Household water conservation, both inside and out, is always a good practice. It not only saves money but it saves our planet's most precious natural resource-WATER. According to the Environmental Protection Agency, 50% of outdoor water is wasted due to inefficient watering methods. Vegetable gardens may require up to one inch or more of water each week during the growing season, this equals about 3/4 of a gallon of water per plant. During summer plants may require more. Gardens contribute to the sustainability of the planet so ...

How can you garden and conserve water?

- Remove plants in crowded beds or low-priority plants competing for soil moisture
- Mulch, mulch, mulch! 3" - 4" layers reduce water evaporation and weeds, protects roots from heat and reduces weeds that compete for water
- Avoid watering during the middle of the day when hot temperatures will evaporate most of the water before it can get to plants
- Avoid heavy pruning
- Know your plants– before watering know how much water your plants need. Smart watering practices reduce runoff and may decrease the need for pesticides and fertilizers
- Do not overuse fertilizers, which increase growth and water demands
- Infrequent deep watering encourages deeper root growth, and results in plants with greater drought tolerance
- Look for leaks, if you find one fix it
- Use a drip irrigation system, grouping plants with similar water needs together on one drip irrigation line
- Plant native plants and replace thirsty plants– make sure your plants are suited for the environment, if not they could be taking up too much water.

Summer Safety Tips

Activity safety

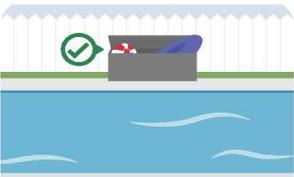

Never swim near a boat, marina or boat launching ramp.

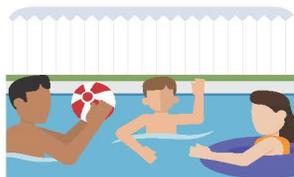

Always use U.S. Coast Guard-approved life safety jackets.

Adults need to stay with children when they are around water.

Keep the pool and deck clear of floats, balls and toys after you get out of the pool.

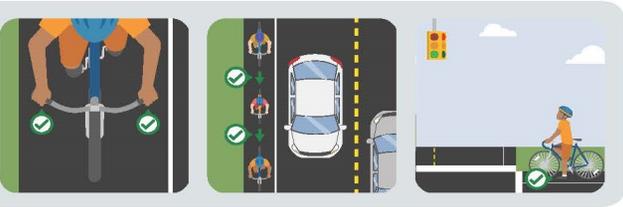

Always swim with a buddy.

Always wear a bike helmet and bright clothes when cycling so people can see you. Put reflectors on your bike.

Ride with both hands on the handlebars. Ride in single file with traffic. Stop at all stop signs and obey traffic lights.

For more information and free resources, visit www.usfa.fema.gov.

Summer Safety Tips

Keep these tips in mind as you and your family enjoy summer vacations, camping, family reunions, picnics and the Fourth of July.

Fire safety

Build campfires at least 25 feet away from tents, shrubs and anything that can burn.

If you want to see fireworks, go to a public show put on by experts. Sparklers can reach 1,200 F and cause third-degree burns.

Use propane, charcoal and wood pellet barbecue grills outdoors only. Indoor use can cause a fire or carbon monoxide poisoning.

Use chimineas, outdoor fireplaces, and fire pits outdoors only and at least 10 feet away from your home or anything that can burn.

Place your grill well away from siding and deck railings and out from under eaves and overhanging branches. Do not store or use a grill on a porch or balcony.

TOILETS ARE NOT TRASH CANS.

THINK BEFORE YOU FLUSH!

Being aware of what you flush down your toilets and drains is very important. When wastewater leaves your home it flows through your community's wastewater treatment facility and is treated by a variety of processes to reduce or remove pollutants. Flushing or draining undesirable products can potentially damage and become more costly for the treatment plant.

Products that should not be flushed or drained are: Cleaners, beauty products, medicine, auto fluids, paint, lawn care products, grease, diapers, condoms, feminine hygiene products, motor oil, and photographic chemicals.

One Person Can Make a Difference

One morning a man walked along a beach covered with thousands of starfish that had washed up during a storm. Now they lay dying in the sun. He saw a young girl picking up the starfish one by one and tossing them into the sea. As he approached her he couldn't help but ask, "why bother? There are

Too many of them. You won't make much of a difference," She picked up another starfish and tossed it into the water. Then she turned to the man and said, "I made a difference to that one."

You Are A Very Special Person

And you should really know,
How we loved to be your teachers,
How fast the year did go.

Please come back to visit us
As through the grades you grow,
Try hard to learn all you can,
There is so much to know.

One thing we tried to teach you
To last your whole life through,
Is to know that you are special,
Just because you are you.

We are Very Proud of You!

Good Luck in Kindergarten!

Congratulations Howonquet Head Start Graduates!

We are extremely proud of this year's graduating students. This has been a tough year for both the parents and the children due to the Covid-19 restrictions.

Our Graduation was a drive through ceremony, with each family getting a Gift Bucket, with popcorn and a pizza gift certificate so they could enjoy a family dinner night in lieu of our usual graduations barbecue. We had a total nine graduates this year. If you see them in our community, make sure to let them know how proud you are of them and their accomplishment.

Congratulations and good luck next year in your new schools for Kindergarten!

Tolowa Language Program:

Instruction at the Del Norte High School (DNHS) is in the 1, 2 and 3 periods being taught every day for 9 weeks. This is Quarter 4 and ends June 11th.

Currently Tolowa Dee-ni' Wee-ya' 1 and 2 are being taught at Del Norte High School.

* In Tolowa 1 there are 12 Students enrolled.

* In Tolowa 2 There are 9 students enrolled.

* This class is held during 1st period and will be taught during the second 9 week period of instruction at DNHS.

Native American Studies is also being taught at Del Norte High School.

* In Native American Studies there are 22 students enrolled. This class is done for the year.

* A beginning Tolowa class will be starting soon. Development of the curriculum is in the planning stages.

*Nelh-'ii~ne Stewards Training Program:

Coordinating with Rosa Laucci to plan a language class for the Nelh-'ii~ne Stewards program.

Education:

Demo ACT grant: We are finishing the 8th month in our 12 month planning year. Four out six staff members hired. The grant objectives are on track for the planning year. Our program is located in the Dat-naa-svt Community Center building. Year two, which provides student services, will start on October 1, 2021. There will be no youth camp in the planning year, however, planning for the 2022 youth camp will begin January, 2022. The grant report for the first half of the planning year has been completed.

The BIA Living Languages Grant personnel has drafted three introductory scripts for videotaping. The first three videos will be self and 2nd person introductions and conversation. Chuski Scott is editing an eeling film featuring a Tolowa Dee-ni' Nation youth displaying the

eeling process. We will be editing and dubbing the video in preparation for going live on YouTube. We have advertised in the TDN newsletter for elders, cultural bearers, language speakers, story tellers, singers, etc. So far, we have three Native participants that are sharing their knowledge.

The Education Department partnered with Frontier Communications and The California Emerging Technology Fund to provide Chromebooks to all TDN youth ages 5-18 living in Del Norte and Curry counties. We have distributed all the Chromebooks in both counties, which is a magnificent accomplishment.

The Education Department has distributed 238 total Chromebooks.

We mailed out to all people that did not come to the office to pick up their Chromebooks and had a huge success rate.

The Education Department is currently waiting for the results of the CTAS grant. This grant will allow the Education Department to offer a youth recreation program similar to The Boys and Girls Club but locally controlled.

Tolowa Dee-ni' Nation Library:

The library is closed until further notice due to COVID-19.

Johnson O'Malley Program:

The Johnson O'Malley Program is gearing up for this summer's school supply card distribution in July 13-15, 2021.

Head Start:

Staff:

Interim Program Manager = Diana Bommelyn

Interim Education Coordinator = Nicol Aubrey

Family Lifeways Coordinator = Advertising vacant position

Teacher = Advertising vacant position

Teacher = Maria Gonzales

Teacher Assistant = Amber Gensaw

Teacher Assistant = Sara Campbell

Teacher Aide = Lynne Gonzales

Teacher Aide = Marjorie Valdez

Cook = Daniella Rodriquez

Assistant Cook = Advertising vacant position

Administrative Analyst = Advertising vacant position

Playground: The playground has been an ongoing project for two years. The question I am researching is why it is taking so long to be completed. School is going to start in

September, 2021. The goal is to get the playground complete so that there is not a safety hazard for the children.

Early Learning Center:

Staff:

Teacher = Advertising vacant position

Teacher Assistant = Advertising vacant position

Assistant Cook = Advertising vacant position

Currently the Early Learning Center is closed due to the effects of COVID-19. However, we anticipate full opening for fall, 2021.

Students' last day for the 2020-2021 school year: May 26, 2021.

Graduation day for seven 5-year olds: May 26, 2021.

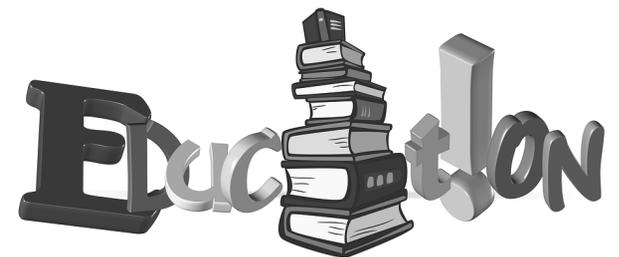

Teachers' last day: June 3, 2021. All staff are staying on board for the summer to help get the school ready for fall opening.

There will be no summer school.

Diana has made an enrollment flyer and will be posting around Smith River and all venues of advertisement.

Summer will provide time to plan and organize the next school year with expected full enrollment and a return to in-class instruction.

STUDENT OF THE MONTH

My name is Regin Loftin. My parents are Reginald and Jenni Loftin. My ancestors are Thelma Richards, Charles Whipple and Toni Whipple. I attend Oregon Institute of Technology in Klamath Falls, Oregon. I grew up in Crescent City, California and went to Del Norte High School. Expect to graduate next year in 2022. I am going to be a Nuclear Medicine Technologist and hopefully be able to sell radiopharmaceuticals in the future. I am in the Native American club at Oregon Tech. I have been on the honor roll twice since attending this school. I wanted to attend school to not only get further education but to set a path for my siblings behind me. Once I graduate, I want to hopefully get a job in California or outside a city. I want to set a good reputation for me, my school's program and my tribe. The advice I have for anyone who is thinking about going to college would be to not be so stressed about figuring out a career path so early. It natural to be indecisive with your major. If you are really on the brinks about what major to choose, I'd recommend a community college for figuring out what interests you the most to make a career out of.

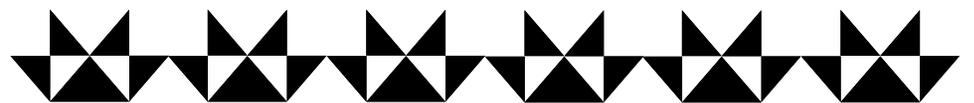

BOOK OF THE MONTH

As a botanist, Robin Wall Kimmerer has been trained to ask questions of nature with the tools of science. As a member of the Citizen Potawatomi Nation, she embraces the notion that plants and animals are our oldest teachers. In Braiding Sweetgrass, Kimmerer brings these two lenses of knowledge together to take us on “a journey that is every bit as mythic as it is scientific, as sacred as it is historical, as clever as it is wise” (Elizabeth Gilbert).

Drawing on her life as an indigenous scientist, and as a woman, Kimmerer shows how other living beings—asters and goldenrod, strawberries and squash, salamanders, algae, and sweetgrass—offer us gifts and lessons, even if we've forgotten how to hear their voices. In reflections that range from the creation of Turtle Island to the forces that threaten its flourishing today, she circles toward a central argument: that the awakening of ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world. For only when we can hear the languages of other beings will we be capable of understanding the generosity of the earth, and learn to give our own gifts in return.

Counseling Services Available

Michael Harling and Kathleen Daignault have been working with clients through a few crisis. Michael and Kathleen have helped their clients by developing a plan to have the clients to help each other as support when they can. During this period we have had no relapses. We have one client returning to the program and 6 new referrals. We started off serving 30 client at the beginning of this month (March). We have not lost any clients this month. Kathleen and Michael have 8 new clients as well. We are still serving client as far north as Gold Beach and south to Klamath Glen.

We are expanding our curriculum to include youth age 13 and up, and co-occurring disorders, which means people that have substance abuse disorder AND mental health issues.

Kathleen and Michael would like to reach out to the Tolowa Dee-ni' Nation community and Employee's to let all know that we have NARCAN kits for reversal of opioid overdose. During this pandemic the overdose deaths have increased with opioid addiction. You may be able to save a person's life with the NARCAN opioid reversal kit. There is a training on how to use the NARCAN on YouTube, **NARCAN training video - Instructions for administration of NARCAN® Nasal Spray 4mg** is the name of the video training on how to administer NARCAN. We are growing and are here for the Tolowa Dee-ni' Nation community. If you know of someone who would benefit from this program please share this information with them:
